SKILLS

- Two semester C++ experience
- One-year java experience
- Team-work skills

- Language: Chinese, German, English
- Willing to ask questions and good communication skills
- Quick learning skills

ACTIVITIES

[Director of Radio Station] | [Yunnan University of Traditional Chinese Medicine]

[2011] – [2012]

I entered the campus radio station as a broadcaster, and I became the director in the second semester.

[Director of Chinese Medicine Ancient Books Research Club] | [El Camino College]

[2011] – [2012]

I was very interested in ancient books of traditional Chinese medicine, and I hope to study ancient books with friends, so I found a bunch of people who were also interested in ancient books of traditional Chinese medicine and establish an ancient book research club.

[International Warriors] | [El Camino College]

[08/2019] – [NOW]

I am in the Project design group. I make flyers and videos for the international warriors' activities.

[Volunteer] | [El Camino College]

[08/2019] – [NOW]

I help food pantry to distribute food and daily necessities.
